A National Level  
Online Contest.

Marketing partner :

## eOlympiad :

India's first digital Olympiad

### Purpose of the program:

1. To familiarize students with online competitive exam model
2. Breaking geographical boundaries for participation and widening horizon of competition
3. Help students access their subject knowledge

Eligible Classes: 6th – 12th Class

Subject Categories: Maths, Science, Social Science, English

### eOlympiad Competition Level:

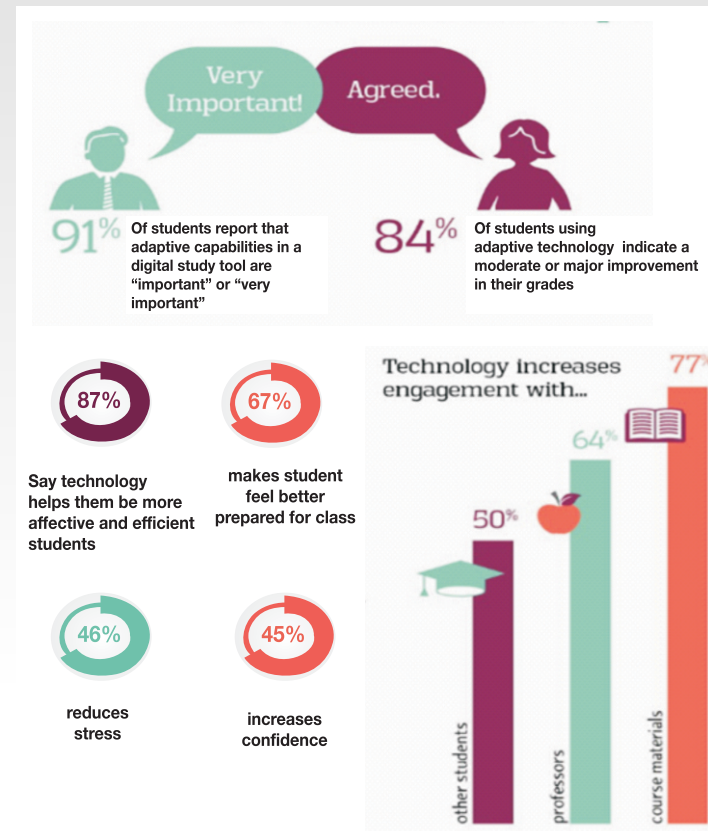

- Round 1 : Intra School  
School winners (top 10% participants from each school) will qualify for the next round
- Round 2 : Inter School – National Level Competition

### Prizes:

- National Winners – Rs. 15000 + attractive goodies
- School winners: Attractive goodies
- IIT Bombay's E-club certificate to school winners

Additionally, participating students will be provided with series of online practice test sessions before the exam, which they can access on our site "[Quizzinginc.com](http://Quizzinginc.com)". Candidates can take these tests at their convenience, i.e. at school, home or internet cafes within a given time window.

## Technology improves all Aspects of the Student Experience

IIT Bombay e-Club has shaped this online platform to assist you in this process and to make your endeavour easier and more efficient while helping you to achieve this goal. Over the recent years, many of the examinations in India have been changed to computer based exams and this trend is only expected to grow. Therefore, this changing trend demands our students to not only prepare on their academic contents but also to practice exams via computers. Keeping this in mind we would like to introduce to you [Quizzinginc.com](http://Quizzinginc.com).

## Classroom Tests:

Covering entire syllabus

A special classroom test series, designed by our experts, which can be played at any time through laptop, tab or mobile phones.

### Benefits to students:

- Help students to prepare for online competitive exams in future
- Chapter-wise tests will gauge understanding of each topic
- Analysis of result suggesting time spent on each question
- Suggest a comparative with fellow students

### Benefits to teacher / school:

- Option to add / modify any question set to suit class's need
- Auto-correction, scoring and analysis of result
- Personalized touch with school's name, logo, picture and description for each test
